

HOSSC Star Guidelines

This position requires the maintenance of confidential records of all health testing done by breeders in the club. The Star Chair then assigns the proper Star for testing completed and notifies the Webmaster for changes to the website.

Annual Requirements

Maintain all health records received from breeders in their own file. Annually remind members in the Heartbeat of the program and enlist involvement.

Complete Annual Report for HOSSC July Annual General Meeting containing a summary of information submitted and then file with the Secretary.

Bimonthly Requirements

Report to the Secretary any new information received or Stars assigned due to records received.
